Foreword

Thank you for downloading **Islamic Relief**'s guide on baby names for Muslim girls.

Having a baby is a joyous time for any parent. For many it is the best blessing attained in this life from Allah. For others it is the ease Allah grants after hardship.

Unfortunately there are many children around the world living without one or both of their parents. As you move forward in this blessed time in your life we would implore you to listen to the words of our beloved messenger:

Sahl ibn Sa'd reported: The Prophet, peace be upon him said,

"The one who cares for an orphan and myself will be together in Paradise like this," and he held his two fingers together to illustrate.

[Sahih Bukhari 5659]

We also look after over 43,000 orphans worldwide and ask you to celebrate the birth of your child, with an orphan sponsorship:

If you are able, consider making a donation to **Islamic Relief**'s Orphan Sponsorship program. www.islamicrelief.ca/donate

If it is of use to you, then consider making a donation to **Islamic Relief** @ www.Islamic-Relief.org.uk

Our team of 2,500 people operate in over 100 countries and provide emergency relief to those who need it most.

We also fund sustainable development projects, which help to build the capacity of a community, so that they move away from receiving continuous aid.

We also look after over 43,000 orphans worldwide and implore you to celebrate the birth of your child, with an orphan sponsorship:

Sahl ibn Sa'd reported: The Prophet SAW said, "The one who cares for an orphan and myself will be together in Paradise like this," and he held his two fingers together to illustrate.
